

Birds of the MIA

Description

Birds of the Murrumbidgee Irrigation Area

A full-colour brochure with detailed information about 20 of our favourite birding spots in the Narrandera, Leeton and Griffith LGAs. Includes notable bird species that can be found at each site, and a map of the region with each location clearly marked.

Click on the image to download a PDF copy (3.7MB). We also have several glossy hardcopies available [contact us](#)
